

This is an LED light suitable for multiple places. We can pair the remote control with the smartphone by downloading the software. Rich colors are available for us to choose from. Excellent materials make it have a longer service life and lower power consumption. Smooth and uniform light transmission solves the problem of uneven light emission. With adhesive, you can stick it wherever you want.

- Color: White
- Material: Abs
- Lamp Holder Model: E27
- Light Color: Rgb
- Voltage: 100-240V / 50-60Hz
- Led Power: 4-7W
- Rgb Power: 6W
- Sound Power: 4-6W
- Frequency Response: 135Hz-15Khz
- Bluetooth Version:4.0
- Support Configuration: A2Dp
- Wireless Range: 10 (33Ft)
- Remote Control: 1 *Cr2032 Button Battery
- Product Size: 120*91*91Mm
- Price: \$11.43
- Brand: Rippers
