

## Top Rated Dimmable ST64 LED Bulb E26 Base

- DIMMABLE - Seamless dimming capabilities (100%-10%) to fit any mood or decor. Our ST64 LED lights combine charming vintage design with the latest in LED technology. Ideal applications include restaurants, hotels, and exposed lamp fixtures/pendants.
- WATERPROOF - Our LED ST64 bulbs are weatherproof and can stand up to the elements. Durable dust-tight construction provides you reliable bright light in any weather.
- UL CERTIFIED & TITLE 20 COMPLIANT - We uphold the highest standards for all our products by testing each product for optimal performance and safety. Sunco's LEDs are the sustainable choice offering a longer lifetime than traditional bulbs (halogen, incandescent, fluorescent) and reduced relamping costs.
- SUNCO BENEFITS - 5-Year Warranty! Sunco is proudly based in the USA, offering quality products at affordable prices backed by industry-leading warranties and knowledgeable support specialists.
