

The EverStart Maxx SL5HE 1200 Lumen LED Rechargeable Spotlight gives you up to 1200 lumens of ultra-bright light. This dark gray spotlight features a power-saving halo mode that uses 8 ambient LEDs to deliver up to 12 hours of continuous runtime. It also features an impact-resistant, polymer housing and a pivoting/collapsible stand that allows it to be used as a hands-free spotlight. That means it's an ideal solution for big projects, emergencies, power outages, or nighttime outdoor activities. Recharge the unit with the included home, car or USB charging cable/adapters.
